 To: Board of Education
 RE: COVID-19 Update

This weekly memo is designed to keep you up to date on the status of COVID-19 in Brown County and the state of Wisconsin. The District will regularly monitor this data provided by the Wisconsin Department of Health Services. The purpose of monitoring those numbers is to determine when it is appropriate to discuss reopening our schools for consideration for Blended and On Site attendance.

Brown County Test Results

- 14-day average, August 23 = 10.9%

14 Day Average Positive Tests vs. Date
