# **FREE!** *Workshops*

Looking for an exciting opportunity for you and your daughter/little sister/niece that is both fun and educational? The Green Bay Area Public School District is holding three workshops for girls and a special adult that explore non-typical female careers.

## **Do It Yourself Lawn Art** (for grades 7-9)

In this workshop girls and adults will use basic welding to create and design a decorative lawn art project. They will also learn about the manufacturing industry and the many career opportunities available.

**Dates:** April 9, 11 and 16, 2019 (must attend all three sessions)

**Time:** 5:30 p.m. - 7:00 p.m.

**Location:** Bay Link Manufacturing® at West High School, 966 Shawano Avenue

*This session is for a female student and her mother, grandmother, older sister, aunt, female mentor, etc., a limit of 8 students and 8 adults.*

## **Do It Yourself Raised Garden Bed** (for grades 7-9)

New opportunity this year to learn how to construct a raised garden bed. Female students and adults will learn basic construction concepts such as learning how to measure, mark out and cut out wood using a power miter saw, drill holes, and use a cordless drill.

**Dates:** April 23, 25 and 30, 2019 (must attend all three sessions)

**Time:** 5:30 p.m. - 7:00 p.m.

**Location:** Woodshop at West High School, 966 Shawano Avenue

*This session is for a female student and her mother, grandmother, older sister, aunt, female mentor, etc., a limit of 6 students and 6 adults.*

## **Video Game Design** (for grades 6-8)

Girls and adults will learn how computer science and technology are used in the Video Game Design industry. In Game Design, students learn basic video game coding concepts by making different types of games, including racing, platform, launching and more. They will also learn about the career opportunities available within the Information Technology (IT) field.

**Dates:** April 9 and 11, 2019 (must attend both sessions)

**Time:** 5:00 p.m. - 8:00 p.m.

**Location:** Business Education Classroom A109 at Lombardi Middle School, 1520 S. Point Road
