

## HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or obtain more information, contact Jessica Cortes, Human Resources Manager, at [jacortes@gbaps.org](mailto:jacortes@gbaps.org).

- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Please see your Summary of Benefits and Coverage (SBC) for deductible and coinsurance information.

If you would like more information on WHCRA benefits, call UMR Plan Advisor at (800) 207-3172.

## MEDICARE PART D: CREDITABLE COVERAGE NOTICE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Green Bay Area Public School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Green Bay Area Public School District has determined that the prescription drug coverage offered by the Green Bay Area Public School District is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage **and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

### WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## MEDICARE PART D: CREDITABLE COVERAGE NOTICE (continued)

### **WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?**

If you decide to join a Medicare drug plan and also stay enrolled in your current Green Bay Area Public School District coverage, your Green Bay Area Public School District prescription benefit will not be affected. As an active employee you can keep this coverage if you elect part D and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Green Bay Area Public School District coverage, be aware that you and your dependents may be able to get this coverage back if you experience a qualifying event or at the next open enrollment period.

If you lose creditable prescription drug coverage under either the \$500 Deductible Plan or the \$1,500 High Deductible Health Plan with HRA, and if you are Medicare Eligible you are eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?**

You should also know that if you drop or lose your current coverage with Green Bay Area Public School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

You also may request a copy of this notice at any time.

# MEDICARE PART D: NON-CREDITABLE COVERAGE NOTICE

## (Minimum Essential Plan Only)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Green Bay Area Public School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Green Bay Area Public School District has determined that the prescription drug coverage offered by the Green Bay Area Public School District is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the [Insert Name of Plan]. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from Green Bay Area Public School District. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

### WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>TH</sup> to December .7<sup>th</sup>

## MEDICARE PART D: NON-CREDITABLE COVERAGE NOTICE (continued)

### **WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?**

Since the coverage under Green Bay Area Public School District is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?**

If you decide to join a Medicare drug plan, your current Green Bay Area Public School District coverage benefit will not be affected. As an active employee you can keep this coverage if you elect part D and this plan will coordinate with Part D coverage.

When an active employee retires from the Green Bay Area Public School District, if they are eligible for Medicare, they are no longer eligible for the Districts Medical or Prescription plans.

If you do decide to join a Medicare drug plan and drop your current Green Bay Area Public School District coverage, be aware that you and your dependents may be able to get this coverage back if you experience a qualifying event or at the next open enrollment period.

# MARKETPLACE COVERAGE NOTICE

## **GENERAL INFORMATION**

When key parts of the health care law took effect, you were eligible for a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you look at options for you and your family, this notice provides some basic information about the new Marketplace and the employment based coverage offered to you.

## **WHAT IS THE HEALTH INSURANCE MARKETPLACE?**

The Marketplace is designed to help you find private health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Annual open enrollment for private health insurance coverage through the Marketplace runs during the months of November, December, January and February. The specific timeline will be announced each year.

## **CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you are eligible for depends on your household income.

## **DOES THE HEALTH INSURANCE WE OFFER TO YOU AFFECT YOUR ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?**

Yes. If we have offered health coverage that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in our health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of self-only coverage under our health plan is more than a certain percentage of your household income for the year, or if our health plan does not meet the "minimum value"<sup>1</sup> standard set by the Affordable Care Act, you may be eligible for a tax credit. Please visit [healthcare.gov](http://healthcare.gov) for the annual affordability percentage or contact the employer identified on the following page of this notice.

Note: If you purchase a health plan through the Marketplace instead of accepting our health plan coverage, then you may lose our contribution (if any) to your coverage under our health plan. Also, our contribution – as well as your employee contribution – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

## **HOW CAN I GET MORE INFORMATION ABOUT THE MARKETPLACE?**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the marketplace and its cost. You can visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

1

An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs..

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –**
