Cost of Courses

NWTC: This is a no-cost credit opportunity for students. In exchange for the tuition that would normally be charged per student, NWTC recognizes the instruction delivered by District teachers as covering that cost. NWTC will continue supporting offerings to students at no cost to student or the District. Students must earn at least a 'C' to receive credit from NWTC.

UWGB: This is a no-cost credit opportunity for students.

If a student chooses to withdraw from a DC course after the initial ten-day time frame, he/she will be responsible for the full tuition amount.

Credits & Grading

The grade earned in the DC course will be recorded on the student's permanent high school and postsecondary transcript as follows:

Students in DC courses will receive letter grades (A-F) based upon their performance related to the expectations of the class. If a student fails to earn a grade of at least "C" in a DC course, the following procedures will be activated:

- They will not earn college credit for the DC course that was attempted (NWTC only)
- Additional coursework may be required to earn sufficient credit to graduate
- Earning a "D" in an NWTC course will still awarded high school credit as follows:
  - .05 credit for a course lasting 1 semester in length
  - 1.0 credit for a course lasting 2 semesters in length
- The student will not be able to take DC courses until the course is retaken and a grade of "C" or better is earned
