

GBAPS Online School

**Opening
Fall of 2021
(4K-5th grades)**

For elementary students and families that want a virtual learning experience, the Green Bay Area Public School District (GBAPS) is opening an online school.

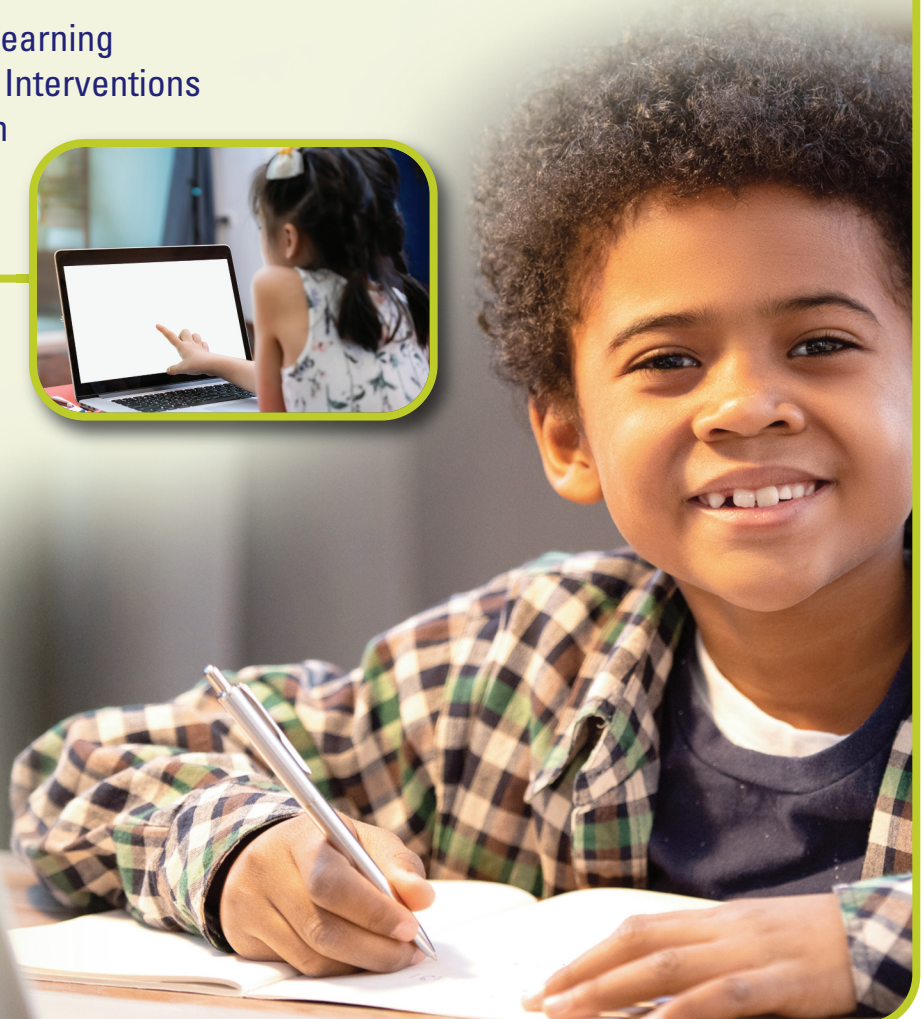

- Instruction from virtual GBAPS licensed teachers
- GBAPS Online will follow the District's school calendar and grading policy
- Open to students receiving special education services and English Learner Services

To enroll in GBAPS Online, families need to complete the intra-district transfer process. Please watch for more information at gbaps.org/GBAPSONline.

Students will have instruction in the following areas:

- Reading
- Writing
- Math
- Social Studies
- Science
- Social/Emotional Learning
- Math and Literacy Interventions
- Physical Education
- Art
- Music

All GBAPS Online students will be provided a device (iPad or Chromebook depending on grade level), and if internet service is needed, will receive a hotspot.
